## Quick Facts about Discover Groups

Discover Groups gather small numbers of people to meet weekly for spiritual encouragement, study, and ministry. Participation in a *Discover Group* will help you . . .

- discover your place in God's church as we each seek to make disciples of Jesus (John 3:16-17; 8:12),
- discover how to apply the Bible to life as you seek to learn and "abide in the word" (John 8:31),
- discover ways to make your life count by serving others as we "love one another" (John 13:34-35).

### Structure

Discover Groups meet in homes or other locations and typically include up to 16 adults. Regular meetings include a time of study, prayer and fellowship to help people become better connected in a spiritual context.

### Annual Cycle

Groups typically keep an annual cycle that begins in January and ends in November. After a break in December, new groups are added as needed and every person is asked to sign-up for the following year. While many people will sign-up for the same group in the following year, everyone is encouraged to seek the place where God can use him or her to minister best to others.

### Growth Focus

Multiplication of groups is a key focus. Each group seeks to grow by bringing in new people. Helping Sunday morning guests find a group is a natural focus for growth. Groups can be the most natural way for guests to make connections.

## How to get involved in a Discover Group
