Dear Sponsor,

I am participating in a 12 mile Walk-a-thon to raise money for our youth missions program. Our youth ministry will be involved in seven different mission trips this summer and we need your help to raise money for my trip! I will be participating in one of these mission trips and your donation directly supports my efforts. Please consider making a flat donation (\$10, \$25, \$50, \$75 etc.) or would you be willing to sponsor me at either \$2 a mile (\$24), \$5 a mile (\$60) or \$10 a mile (\$120) for this special ministry? Make checks payable to North Atlanta Church of Christ. **All contributions are tax-deductible.** Thank you!
