

NASM Summer Mission – Tuba City, AZ

8th -12th grade (current 2023-2024 school year)

Parents: Please notate each line as “read” with a check mark and sign at the bottom.

My child is applying for the 8th-12th grade mission trip for summer of 2024.

My child has filled out this application to the best of their ability, in their handwriting/typing.

The dates of this mission trip are July 6-14, 2024.

- Once flights have been confirmed the dates may change slightly from a Friday-Friday, Saturday-Saturday, or Sunday-Sunday trip. It will not exceed 8 days.

There are two mandatory meetings for this trip that will be announced once applications have been received and a team is assembled.

The participant contribution for this mission trip is \$650. This is not the entire cost of the trip but is the amount each participant is asked to contribute. North Atlanta members contribute to allow more access to students and families to NASM Mission Trips.

- If you, or your student planned to attend this trip last year and have available funds, please indicate that here:

I have funds that carry over from the cancelled trip last year.

The trip must be paid in full by June 26th.

I am including a non-refundable deposit of \$100 towards the participant contribution. If I cannot pay that today I have emailed Tripp Durden at tripp.durden@nacofc.org or Kendra Greenwald at kendra.greenwald@nacofc.org to set up a payment plan.

Scholarships are available through the Matthew Prather Mission Scholarship Fund. Applications for this scholarship are available online and by request.

This application is due February 25th to NASM staff.

North Atlanta Student Ministry is excited to offer student short-term mission experiences for the church. Please understand it is no one's "RIGHT" to participate in one of our trips. It is however, a "PRIVILEGE" to be chosen to participate. It is the responsibility of the NASM team to ultimately decide to accept an applicant for a short-term mission team. Sending people into another place, city, state or country and culture to share the gospel of Christ is not to be taken lightly. It is our responsibility to provide the best possible experience for each team and our goal is to put together a group of people who will be a team.
